

**CONFERENCE ON**  
**“RECENT ADVANCES IN KNEE ARTHRITIS TREATMENT”**

**16<sup>th</sup> Oct 2015**

A conference on “RECENT ADVANCES IN KNEE ARTHRITIS TREATMENT” was organized in the Institute as a value added program for all the students for their knowledge up gradation. The eminent speakers for the conference, Dr Nitiraj Oberoi (Principal Consultant: Joint Replacement and Sports Sciences, Fortis Escorts Hospital) and Dr K B Attri (Senior Orthopedic Consultant, Indraprastha Apollo Hospital) enlightened us all with causing factors of Knee Arthritis and their the advances in surgical care. They described updates on knee replacement surgeries and how these evolutions are changing the rehabilitation of arthritic patients. Dr Nishant Gemini (Head of Department, Physiotherapy, and Primus Superspeciality Hospital) emphasized on Post operative Rehabilitation, focusing on telemedicine and role of technology in rehabilitation in Indian Scenario. Dr Kalpana Aggarwal (Chief of Physiotherapy, Medanta- Medicity Hospital) explained post operative rehabilitation focusing ethical considerations and patient’s rights and responsibilities.

The organizing committee for the event Sumit Kalra, Dr Savita Tamaria & Dr Nidhi Kalra extended their gratitude towards the eminent speakers, for the very informative lectures. The lectures were followed by Panel Discussion with the speakers and Patients of and for Knee Replacement. Students very enthusiastically participated in this discussion and gained a lot.

This illuminating conference ended leaving behind a light of awareness....
