

Cardio Connect Conference at Max Super speciality Hospital-Saket

On 18th Sept 2016

Department of Physiotherapy and Rehabilitation and Max Institute of Heart and Vascular Conditions, Max Super Speciality Hospital,Saket organised its First Annual Conference on Cardio Connect with a Theme of Over Arching Perspective in Cardiac Surgeries and Rehabilitation on Sunday 18th Sept 2016 at Auditorium Basement, Max Saket (West Wing). The highlights of the event were updates on cutting edge technologies to treat life threatening CV diseases, Comprehensive review, assessment and diagnosis and treatment of CV diseases, Latest management surgeries, Innovations and advances and Virtual trip of the CTVS ICU. Our faculty, Dr Richa Rai (MPT Cardio-Respiratory and Vascular Conditions) had the honour to share the same platform with the Cardiac Surgeons of Max Super-speciality Hospital like their Director of Cardiac Department - Dr Koppula and Dr Ratna Malika Kumar, Senior Cardiac Consultant and Surgeon, along with Other Physiotherapists from renowned hospitals, as she was invited as a speaker for the Conference. She shared her views on “Exercise Prescription in Cardiac Patients- New Guidelines.” Our faculty and students had also attended the conference to enhance their knowledge on the topic.
