

MHC AIIMS 2016 **2nd Multidisciplinary Health Care Conference**

AIIMS organized 2nd Multidisciplinary Health Care Conference on the theme, “Climbing New Heights”: Enriching Public Health through evidence based Multidisciplinary Rehabilitation approaches from 2nd to 8th November 2016.

With great pride we announce that, Dr Sanjeev Gupta, Director BCIP, was felicitated “Significant Contribution Award” by Mrs Meenakshi Lekhi, Indian Member of Parliament in Lok Sabha.

One of our Faculty Dr. Priyanka Chugh (PT) was also conferred 3rd prize in Scientific Paper presentation by Mrs Lekhi. The Conference was adorned with the presence of International and National Celebrities of various fields. The Conference & workshops were approved & supported by Many Organizations such as Ministry of AYUSH, Rehabilitation Council of India(RCI), Delhi Nursing Council (DNC), Indian Association of cognitive Behaviour Therapy (IACBT) & many such reputed Institutions in India.

Dr Savita Tamaria (PT) Dr. Priyanka Chugh (PT), Asstt. Prof BCIP, were part of the Scientific Committee of the Conference. Our faculty Dr Richa Rai and Dr Jyoti Dahiya had the honour to share the same platform with International and National Celebrities of various fields.

The Organizing & Scientific Committee ensured a highly interactive, scientifically stimulating and intensive program for the conference. A varied scientific program with different session formats ensured that there is something on offer for everyone. This conference gave an opportunity for young physiotherapist to show case their work and discuss their research projects with leaders in the field.

The Students of BCIP also attended the conference to enhance their knowledge.
