BANARSIDAS CHANDIWALA INSTITUTE OF
PHYSIOTHERAPY***

BCIP organised campus interview in collaboration with Weinmann, Kure Medical Systems, held on 28th September 2015 in Seminar room of the college. One of the leading Health organization in Intensive Care Unit Ventilator support provider weinmann, CEO, Dr Nikhil Batra; Dr Sanjay Pal, Chest Physician; Mr T K Sharma, Marketing manager of the company along with the BCIP alumini & country head of company, Ms Nitika visited the campus. After group discussion about the company vision & objectives team conducted one to one discussion & written test & technical discussion rounds in following which students of 2010 batch BPT & MPT were screened for next round in the company campus.

Under the guidance of Director, Dr. Sanjeev Gupta institutes' placement officer Dr. Davinder K. Gaur coordinated the event. Hospitality extended to the companies were appreciated & new proposals of recruitment for present batches were discussed by the company members in coming months.

Students enthusiasm out busted & they expressed their thanks towards college for providing such a platform to help build their career.

BCIP wishes heartiest wishes to all selected students!
