

**Faculty Development Program and Workshop on " LINUX UBUNTU"**  
**at BCIIT on 30<sup>th</sup> Jan 2016**

Banarsidas Chandiwala Institute Of Information Technology organized one day faculty development program on "Linux Ubuntu" on 30<sup>th</sup> Jan 2016. The objective of this FDP is to encourage the faculty members to enrich their knowledge in the area of operating system. Six faculty members Dr Sumit Kalra, Dr Richa Rai, Dr Savita Tamaria, Dr Davinder K Gaur , Dr Charu Chopra , and Dr Nidhi Kalra along with Our Director, Dr Sanjeev Gupta and Administrative Officer, Mr S C Verma attended the program. The session started with the power point presentation which gave information about the linux operating system, its features and the commands available in it. The theory class was followed by practical session which boosted our confidence in this operating system.
