

# 5<sup>TH</sup> INTERNATIONAL CONFERENCE ON PHYSICAL THERAPY, AIIMS 2016

## BCIP in 5<sup>th</sup> International Conference on Physical Therapy AIIMS 2016

Physiotherapy Unit, Department of Anesthesiology, Pain Medicine and Critical Care, organized “ 5th

International Conference and Workshops of Physical Therapy ” at AIIMS, New Delhi from 8th to 12th December, 2016. This theme was so true today as physiotherapy is an inseparable part of the holistic management of a wide variety of disorders. We all know that change is eternal, perpetual and immortal. So, we became a part of this change as one small step for man, one giant leap for mankind. The Conference was adorned with the presence of International and National Celebrities of our field. It was held on the Theme: “PHYSIOTHERAPY NURTURING GLOBALLY IN MODERN ERA”. Dr Sanjeev Gupta, Director BCIP was in the Panel of Advisors of the International Conference. Our faculty Dr Richa Rai, won “Significant Contribution award” in the field of Physiotherapy and was also an invited speaker for the conference. Our faculty Dr Priyanka Chugh also won laurels for herself as well as the College by bagging third prize in Scientific Paper Presentation. Our faculty also chaired scientific sessions of the event. Our students also participated in the event. The Organizing & Scientific Committee ensured a highly interactive, scientifically stimulating and intensive program for the conference. This conference gave an opportunity for young physiotherapists to showcase their work

and discuss their research projects with leaders in the field. Also we are proud to elaborate on that our student Aditi of BPT batch 2013 also bagged third prize in the cultural event held at the event and showcased her talent.
