

CALL FOR ARTICLES FOR TPP

Dear Research Scholars

Greetings from The Physiotherapy Post (TPP). This annual journal (ISSN 0975-1785 Print), is to publish genuine and original research work, for updating the scientific knowledge through the articles for the students, academicians, clinicians for future research, and to establish database for the researchers and clinicians for implementation of research findings into clinical Physiotherapy practice. Please ensure that submitted articles conform to the internationally accepted criteria and are prepared in line with TPP Author Guidelines. It is a multidisciplinary journal covering various issues of concern using scientific and/or research based perspectives and contains other professional information like book review, research articles, review articles & case studies. This journal is kept wide to provide platform for diversity of intellectual pursuit from all corners of the society for enrichment and enhancement of the group readers. Editorial board maintains peer reviewed content's resource for publication of this journal. Both its quality and usefulness of content is ensured by the editorial team.

The Journal invites you to submit high quality papers in form of original research articles, review articles and case studies for the upcoming issue for peer review and possible publication. The manuscripts in all the subject areas are welcome. Moreover, submitted manuscript must not be previously accepted for publication elsewhere. All manuscripts to be sent to editortpp@gmail.com . Please feel free to contact the editor for further details.
