

## **5th AFC Medical conference 2015 –New Delhi**

Dr Jyoti Dahiya along with BPT and MPT sports students attended 5th AFC Medical conference 2015 –New Delhi from 30<sup>th</sup> November to 2<sup>nd</sup> December 2015 at J.W Marriot hotel, Aerocity. Conference started with welcome speech of Mr Praful Patel Vice President Asian Football Federation which was further followed by a brief talk by Prof Jiri Dvorak, FIFA chief medical officer. After inauguration scientific sessions started on performance and environment, sports imaging, EMS/medical issues, and reference and coaching. Second day session started with informative talk on FIFA 11+ program by Prof Mario Bizzini followed by scientific session on injury prevention and intervention in football players. Finally on third day event started with keynote on sudden cardiac death and prevention of cardiac emergencies. Session further gave us information on the UEFA champion's league injury study helping clubs avoid injuries. Scientific session stated after above mentioned talks on anti doping in sports, muscle injuries in football players. Session ends with thanks giving by president of AFC. Altogether it was very informative and knowledge enhancing experience for faculty and students.
