

Workshop on “PNF for Neuromuscular Dysfunction” n 9th & 10th December’2015

Workshop on “PNF for Neuromuscular Dysfunction “was held at the Institute on 9th & 10th December’2015. Dr. Harpreet Singh Sachdev, a trained PNF practioner from USA, working as Neurophysiotherapist at AIIMS, New Delhi came to impart the knowledge to Bachelors and Masters of Physiotherapy students. Dr. Charu Chopra & Dr. Daksha Davey Mehta organised the whole event with Great Spirits. Practical demonstration and theoretical knowledge enlightened the students. Mesmerising lunch and snacks on both the days were really enjoyed. All the students did hands on practice and were overwhelmed with the learning experience. Dr. Sumit Kalra, Dr. Savita Tamaría & Dr. Nidhi Kalra also attended the workshop. Certificates from PNF academy of India were also awarded to all the students. Overall it was a great workshop with a very positive and highly acknowledged & perceived one by the students.
