

*BCIP at NORTH ZONE INTER-UNIVERSITY VOLLEYBALL  
(MEN) CHAMPIONSHIP 2015-16*

Eminent guests & dignitaries on dice in inauguration ceremony

Guru Gobind Singh Indraprastha University organized *NORTH ZONE INTER-UNIVERSITY VOLLEYBALL (MEN) CHAMPIONSHIP 2015-16* in Dwarka campus from 15<sup>th</sup> to 20<sup>th</sup> October 2015 in which our college Banarasidas Chandiwala Institute of Physiotherapy (BCIP) provided a sports physiotherapy services on field & in health centre during this event. Over 15 universities & 100 colleges participated in volleyball matches during qualifying, semifinal & final matches.

Honorable vice-chancellor, IP University - *Prof. Anil K. Tyagi*, along with the Guest of Honour *Mr Bopa Rai*, a renowned volleyball player & coach of national volleyball team, India and other dignitaries of sports department of AIU (All India university Board) greeted the event and with the support of Prof C.S Rai, Director Student welfare & Mr Sunil Kumar, Sports Officer the opening ceremony of the event was declared.

During the 6 days event significant amount of sports injuries in the form of ankle sprain, muscle cramp and bruising appeared for medical & physiotherapy support area on the field. The minor

injuries of cramp, bruising or contusion of soft tissue were treated on field by sports physiotherapy team members & towards the end of the day as participants played with great enthusiasm & energy injury reports increased significantly. Physiotherapy support was provided by work force team of BCIP; Dr Davinder Kumar Gaur (PT), camp coordinator, Dr Jyoti Dahiya (PT), Faculty along with postgraduate sports 1<sup>st</sup> & 2<sup>nd</sup> year specialty physiotherapists to all the needed players on the outfields of volleyball. Stationed task force on ground provided icing, tapping, local pain reliving sprays & various other treatment modalities to injured players of ankle sprain, muscle cramps & contusions. State of art facilities were provided by organizing committee in terms of food & infrastructure to all the official medical & sports physiotherapy team members. Last day of the event encountered a medical emergency which was transported in CATS ambulance to the nearby DDU Hospital for primary care. Over 50 cases of injury were encountered in this event depicting the need of sports physiotherapy support in such events. Valedictory of the event concluded the event on the last day with prize distribution to winners & mementos to guest of honors. The event embedded deepest memories in the hearts of all viewers & hoped to achieve great ventures in upcoming future.
