

## Faculty Development Program

Faculty Development Programme on "Leveraging Technology for Obtaining clinical/training Material" was organised on the 15th and 16th April 2011, as per the guidelines by The Delhi State Fee Regulatory Committee. This FDP is supported by eminent speakers of medical, academic & research background. The eminent speakers for the workshop were Dr Shamim Ahmad (Ex Vice Chancellor Jamia Hamdard University, New Delhi), Dr Dhananjay Gupta (Senior Orthopaedic consultant, Orthonova hospital), Dr Skand Sinha (Asst Professor Orthopaedics RML Hospital, New Delhi), Dr Sanjeev Gupta (Director BCIP), Dr Pradeep Kumar (Senior Physiotherapist Max Superspeciality Hospital), Dr Wadhwa (Director BCIIIT). This workshop was attended by Assistant Professors, Readers, Head of the department of various Institutes under the Guru Gobind Singh Indraprastha University, New Delhi. The various Institutes that participated in the workshop were Agarsen Institute of Technology, Kalka Institute, Banarsidas Chandiwala Institute of Physiotherapy, Banarsidas Chandiwala Institute of Information Technology. The theme of the FDP was to address the challenges faced by the institute in arranging training opportunities for its students especially in medical education. Several workshop sessions were held in FDP to introduce, brainstorm & to prepare a working model for how today's technological advancement can be utilized to meet the requirement of arranging clinical/training material. Day one of the workshop was kickstarted by Dr Shamim Ahmad who spoke on "Relevance of IT in integrating academic & professional institution in Health Care", followed by Dr Pradeep Kumar who spoke on "Integrating Computer Applications". The Post lunch session was addressed by Dr Dhananjay Gupta who spoke on "Digitalization of Clinical Material". On Day 2 of the Workshop was kickstarted by very informative talk by the Director of our Institute Dr Sanjeev Gupta on "Re-discovering Training Opportunities followed by very informative talks by Dr Skand Sinha on "Scope of telecommunication". The session ended by a talk by Dr. S K Wadhwa on "Leveraging Technologies Initial Requirement and Challenges". The Day 2 session also had BPT Final year Students Rocky S Joseph and Harshit giving a demonstration of a special software they had developed for Diagnosing the Muscular Dystrophies. The Coordinators of this workshop were Dr Niti Khurana & Dr DSumit Kalra.
